

I hope everyone is having a safe and happy summer. It has recently come to our attention that not everyone is following the pool rules.

You can click the link and read the [pool rules here](#).

The pool is for everyone in the community to enjoy. Please respect others and be kind.

Just to clarify rule number 7.

7. Proper swimwear is required. No jeans, cut-offs, street clothes or loose clothing allowed for safety reasons. Babies/toddlers **MUST** wear swim diapers.

This means if you or any part of your body is in the pool you must be wearing swimwear. If you are taking a child under 16 years of age and are not swimming you do not need to wear swimwear. There is no life guard on duty. If you may need to enter the pool for child safety, then wear swimwear.
